Congratulations! Sierra Club is pleased to endorse your candidacy for Edmonds City Council, Pos 2..

Thank you for your work to help protect Washington's environment and help build an equitable and sustainable ecological future for our state. We made our decision based on careful consideration of your leadership, record, and answers you gave on issues and policy.

We will announce the endorsement on our website unless you prefer that we not post that information. We will also announce our endorsement in any communication with our members closer to the election.
